TASK BATTLE

PLAYER #1 BOARD

How to play:

- Rip out the **Player #2** page and give it to a friend to fill out
- Write 7 tasks you'd like to get done in the empty spaces on the **Player #1** board
- Take turns guessing spaces where you think your friend wrote their tasks (Example: A5)
- Mark if your guess was a "hit" (✓) or a "miss" (✗) on the **Player #2** board
- If your opponent correctly guesses one of your squares, tell them which task they "hit." You must complete that task before making your next guess!
- First person to correctly find all 7 squares on their opponent's board wins :)

Game may be played over multiple days (via text).

Follow up if you don't hear back for a while!
