With your purchase, you receive a customizable Canva Template. This allows you to edit the file for your needs and then print it. This is a DIGITAL FILE ONLY.

STEP ONE
Use the link provided in this guide to open the Canva template

STEP TWO
Click the button that says “Use Template for New Design”

STEP THREE
Edit the template for your needs! Change the colors, text, font, graphics and more!

STEP FOUR
Print your itinerary using a local printing service of your choice (Walgreens, Staples, Office Depot, etc).
